2007 Waunakee Area Youth Baseball and Softball

Waunakee Area Little League is a volunteer organization providing Little League Baseball and Softball to children living in the Waunakee Area School District. The Waunakee Area Little League (formally the Recreational Baseball/Softball Program) is new this year and is coordinated through the Village Recreation Dept. We are excited to be chartered with Little League International. The goal of WALL is to provide an activity that develops the qualities of sportsmanship, teamwork, responsibility, and discipline under the leadership of adult volunteers.

The program is divided into several divisions based on grades. (See Chart)

Registration

Registration forms are available at the Village Center, online at www.vil.waunakee.wi.us (go to register for programs) or via mail by calling the Village Center at 850-5992. Each player will receive a team t-shirt and cap.

Deadlines

Registration Deadline for Senior, Major and Minor Leagues is March 30, 2007.

Registration Deadline for T-Ball, Coach Pitch and Rookie Leagues is April 15, 2007.

There is a \$10.00 late fee for anyone not registered by the deadline and will be accepted based on availability only.

Baseball Skills Assessment Day

All players in Minor, Major and Senior baseball will need to attend this important event. The traveling baseball teams will be holding their skill assessments in conjunction with the Little League. Players wishing to participate in both leagues only need to be assessed once. The exact time and date of the skills assessment will be announced April 1, 2007. The purpose of the skills assessment is to ensure an even distribution of talent once teams are assembled. This is not a try out, but a group evaluation to help group teams.
