VILLAGE OF WAUNAKEE COMMUNITY SERVICES March 2015

## SPRING - SUMMER 2015

### 9th Annual Wellness and Energy Fair

The Waunakee-Westport Lions Club and Waunakee Utilities along with the Village Center will be holding the 9th annual Wellness and Energy Fair on March 14, 2015 at the Village Center.

This is a free event, open to all ages and will include community groups, health screenings, information booths and energy demonstrations. Informational booths that range from preschool to senior programs and materials will be available.

Mark your calendars to bring your family to this fun and educational event. Everyone that attends will be eligible to win great door prizes.

- Fee:** FREE!
- Date:** Saturday, March 14, 2015
- Time:** 8:30 a.m. to Noon
- Where:** Waunakee Village Center

### Waunakee "Treasure" Hunt

The annual spring break treasure hunt is set to confound and amaze you again this year. Search for the answers by walking, cycling or driving to where you think the clues lead. Pull out your old photos, magazines, village newsletters, art supplies and anything else you can use to create clue solutions. A list of clues will be emailed to all registered participants on Sunday, March 15, 2015 at 8:00 a.m.

Look for the answers as a group, a pair or a family. Collect as many items as you can and put them in a shoe box. Turn in your collection and a checked off clue list before the deadline. Don't forget to decorate your treasure box for extra points. Submissions are to be turned in to the Village Center Welcome Desk on or before we close on Saturday, March 28, 2015.

- Fee:** \$5.00
- Course:** 35720.115
- Date:** Sunday, March 15 to 28, 2015

### Tri 4 Schools Youth Triathlon

Register now at [www.tri4schools.com](http://www.tri4schools.com)

The Village Center is excited to continue our partnership with Tri 4 Schools to offer the 4th annual youth triathlon this spring. It will be held on Saturday, May 2, 2015 at the Waunakee Aquatic Center and High School. Every dollar raised through this event will be distributed to the schools represented by the participants. The funds will be used to support athletic and nutrition programs, equipment and other resources to help teach kids about making healthy choices.

We will need over 100 volunteers to make this event a success. If you have interest in helping, please log on to the Tri 4 Schools website and sign up now.

We are also offering a variety of partnership opportunities for this event, the entire Tri 4 Schools race series or the Exercise to Achievement program. Check out the Tri 4 School website for more information.

**Program Coordinator:** Kyna North

## Little Skaters

Designed for ages 3 to 4 years old and will help the youngest skater develop coordination on the ice with the use of games and toys. This is an entry level class for children who have not skated before, an adult must accompany each skater on the ice.

## Snowplow Sam 1 - 3

Students are beginner skaters between 4 to 6 years old. These skaters need assistance with basic movement on the ice. Development of the preliminary coordination and strength necessary to maneuver on the ice is taught through fun and games. Each level must be taken and passed in order to advance.

## Basic 1 - 8

This class is designed for ages 7 and older to learn the fundamentals of the sport. The eight levels introduce forward skating, stops, edges, crossovers, turns and mohawks. You must have successfully completed Basic 1 to register for classes 2 through 8.

## Adult 1 - 4

Designed for the beginning adult skater. It will help improve balance and coordination while learning proper skating techniques. Adult skaters will progress while being challenged and motivated. This is the program for people who look at skating as an enjoyable way for a fit and healthy lifestyle.

## Freestyle 1 - 6

Each Freestyle level is divided into four sections: moves in the field, spins, dance/footwork sequence and jumps. This is the point where the skater can choose whether to pursue a recreational or competitive approach to the sport of figure skating. This class is for participants who have completed Basic 1 - 8.

## Just Spin

Open to skaters enrolled in Freestyle 1 and above. This class will feature spin variations from broken leg to haircutter and everything in between. 50% off fee if enrolled in both Freestyle and Just Spin together.

## Hockey 1 - 2

Hockey 1 & 2 students must be able to move around and fall/get back up on their own, with no assistance. The hockey curriculum is designed to teach the fundamentals of hockey skating - how to maneuver faster and be more agile on the ice. Proper skating techniques are the primary focus. All elements will be taught without a puck. Skaters will learn the necessary fundamentals of hockey skating. This is not a "learn to play" class, it is a "learn to skate" class.

## Stream Monitoring

Join a group of citizen water action volunteers (WAV) to study the health of Six Mile Creek in Village Park. Monitors are trained to measure six elements of stream health. Get together for about two hours, once a month from April to October. Dates and times will be chosen to accommodate the majority of the group; usually it is the second Saturday from 9:00 a.m. to 11:00 a.m.

Participants will become familiar with the water quality and aquatic life in the Six Mile Creek, collect valuable data, and connect with the natural world. The data is entered into a DNR online database. Stream monitoring provides important data that may be the only data available for a particular water body - you can make a difference!
