

Waunakee Police Department Newsletter January 2019

**The Waunakee Police Department wishes everyone
a safe, secure and joyful 2019!**

The Waunakee Police Department would like to thank you for an increase in calls related to suspicious activity. Our community has been seeing an increase in vehicle theft and burglary over the last few months at a rate we have never seen before. We do our best to patrol the streets to deter or address criminal activity; however we need help from you and your neighbors to keep watch over our streets and properties. Something might not appear suspicious to us that may be suspicious to you. Give us a call as soon as possible if you see something suspicious so we may check it out. The sooner we get that call the sooner we can get an officer in the area.

On December 17th Phil and Paul Simon of Michael F. Simon Builders presented a check to Chief Kevin Plendl. The money was donated as part of the “We Support Our Waunakee Police” signs program. This program was started by Simon Builders and signs can be picked up there or at the Waunakee Police Department. Thank you to all of the people at Simon Builders for their continued support of the Waunakee Police Department!

Animal Licensing

It's that time of year again to license your pets. Licensing your animals is easy and can be completed from the comforts of your own home! Licenses are issued on a calendar year basis. A license is required for all dogs and cats over 5 months of age. For more information, view Wisconsin statutes 174.05 and 174.42 and the Village Code of Ordinances Chapter 14. All licenses issued after March 31 will be assessed a \$5 per license late fee so do wait! To register your pets online go <http://www.petdata.com/> (Right click –open hyperlink) or call toll free 1-855-312-9070. License(s) will be mailed within 10 business days of PetData's receipt of payment and documentation.

Alternate Side Parking

Odd-Even side parking is currently in effect and will end April 1st 2019. Alternate side parking is regulated between 2:00 a.m. – 6:00 a.m. on Waunakee Streets. Park your vehicles so it will be on the even numbered side of the street on even numbered mornings and on the odd side of the street on odd numbered mornings unless posted otherwise.

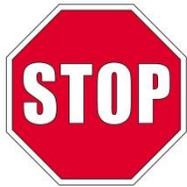

Snowmobiles

Snowmobiles are only allowed to be operated on designated trails or on private property with the owner's consent while in the village limits.

If the snowmobile is being operated on private property and not on a designated trail, the snowmobile cannot be operated between the hours of 10:00 p.m. and 7:00 a.m., except when returning home via the most direct route. The speed limit is 15 mph throughout the village. Snowmobiles may not be operated on sidewalks.

A map of the Village of Waunakee snowmobile trails can be found at:
<http://www.vil.waunakee.wi.us/DocumentCenter/Home/View/490>

We frequently receive complaints at intersections throughout Waunakee of drivers not stopping or improperly stopping at stop signs. We do our best to deploy officers for enforcement when we receive complaints at specific intersections. Remember that when you come to a stop sign you're not just looking for oncoming vehicles but also people walking, bikers, joggers etc. It can be incredibly dangerous to run or roll a stop sign even at slow speeds. Please come to a complete stop and make sure the intersection is clear before proceeding.

Snow removal

It is the responsibility of the property owner to clear sidewalks of snow and ice within 24 hours of the end of the snow or ice event.

No person shall push, shove or in any way deposit any snow or ice onto any public streets or alley, public or private sidewalk.

Winter Driving Supplies

Winter is tough on vehicles and travel. Snow, cold temperatures, ice, slush and salt are tough on a vehicle and the driver. The odds of having a driving emergency is much greater in winter than the other three seasons. The following are some items you may want to consider keeping in your vehicle.

1. Blanket: If you are stuck with a car that won't start, or has become disabled, and have to wait in cold weather for help, you will want a warm blanket as an extra layer. Pack an extra pair of winter gloves and socks. Be careful not to idle your vehicle too long without proper ventilation as you may subject yourself to harmful levels of carbon monoxide.
2. Snow shovel: Get a short-handled shovel, to stow in the trunk in case you need to remove snow from around the wheels of your vehicle.
3. Flashlight: Keep a good-sized, water-proof flashlight with fresh batteries in case your breakdown is at night. Pack emergency candles too, as a back-up.
4. Hand warmers: Available at camping stores. Smash the bag and the chemical reaction inside creates warmth to defrost fingers that may be trying to change a tire... ect.
5. Matches or lighter: You never know when you will have to manufacture heat.
6. Bottle of water and a few protein, snack bars.
7. First Aid Kit: band aids, aspirin.
8. Whistle: It can be used to either signal for help to someone who can't hear you yell, or to scare someone who may be trying to take advantage of your distress.

Other Items to consider: Jumper cables/Battery Jump pack, Syphon, Tow Strap, Small can of kitty litter or sand, basic tools, pen knife, large plastic garbage bag.

Please  our Waunakee Police Department Facebook page. We provide information regarding local events, safety tips and press releases for major incidents. You can also send us your questions through private messages and tips on any recent crimes that have taken place.
