

# *2013 Public Works Improvements Weekly Project Update*

*For the week beginning **September 9, 2013***

## **2013 Public Works Improvements**

*Owner – Village of Waunakee*

*Consultants – Strand Associates, Madison, Wisconsin*

*Contractor - A-1 Excavating, Inc., Bloomer, Wisconsin*

### ***Fifth Street (west) from Century Avenue to Holiday Drive***

*The first layer of asphalt pavement is scheduled for this week, followed by the lawn restoration. The contractors will be re-installing the mailboxes in the terrace and once the first layer asphalt has been placed, we will have the post office discontinue deliveries to mailbox station.*

### ***Fifth Street (east) from West Street to South Street***

*The first layer of asphalt pavement is scheduled for this week, followed by the lawn restoration. The contractors will be re-installing the mailboxes in the terrace and once the first layer asphalt has been placed, we will have the post office discontinue deliveries to mailbox station.*

### ***STH 113 Crosswalk at Legends Drive***

#### ***Woodland Drive Crosswalk at Tierney Drive***

*The new crosswalk lighting is installed and is operational.*

### ***Centennial Park Parking Lot***

*The parking lot is complete. Village is considering striping the parking stalls at a later date.*

### ***Seventh Street from O'Malley Street to the Cul-De-Sac (east)***

*The concrete work will begin this week.*

*Seventh Street will be closed to all vehicular traffic from 7am to 7pm for safety and to accommodate the construction activities.*
