

2013 Public Works Improvements Weekly Project Update

*For the week beginning **September 23, 2013***

2013 Public Works Improvements

Owner – Village of Waunakee

Consultants – Strand Associates, Madison, Wisconsin

Contractor - A-1 Excavating, Inc., Bloomer, Wisconsin

Fifth Street (west) from Century Avenue to Holiday Drive

Fifth Street (east) from West Street to South Street

The first layer of asphalt pavement is complete. The contractors will be re-installing the mailboxes in the terrace and will be starting on the lawn restoration.

The final lift of asphalt is tentatively scheduled for the week of September 30th.

Seventh Street from O'Malley Street to the Cul-De-Sac (east)

The concrete work is substantially complete and they will begin fine grading the street in preparation for the asphalt pavement.

The asphalt pavement is tentatively scheduled for the week of September 30th.

Seventh Street will be closed to all vehicular traffic from 7am to 7pm for safety and to accommodate the construction activities.

For further information, please contact Jim Madden, the Project Manager at (608) 576-9558 or by email at jmadden@vil.waunakee.wi.us
