First Choice Dental Waunakee Office Ribbon Cutting Set for December 4

(Waunakee, WI) First Choice Dental Group will mark the opening of its new Waunakee dental office, 1141 Simon Crestway with a ribbon cutting celebration on Wednesday, December 4, 2013 at 4 PM. Waunakee business and community leaders and members, First Choice Dental partners and associates and members of the design team of Design Structures, LLC will be on hand to mark the occasion.

The new Waunakee office will open December 2, 2013. Dr. Nick Payne, Waunakee resident and First Choice Dental dentist says, “We are very excited about our new Waunakee office and look forward to providing high quality dental care and specialty services to the Waunakee community and surrounding areas.” He adds, “We are extremely thankful for the warm welcome we have received from both the business community and community at large.”

The 9200 square foot clinic features the latest in state-of-the-art dental equipment and technology and offers services including family dentistry, orthodontics, endodontics, laser dentistry, cosmetic dentistry and oral cancer screenings. Twenty employees work at the new office location.

A public open house event is scheduled for December 7, 2013 from 10 am to noon and will feature clinic tours, refreshments, free oral cancer screenings, photo booth, balloon sculptures, teddy bear dental clinic and more.

First Choice Dental was founded in 1996 and has ten locations throughout Dane County. The First Choice Dental Waunakee office building project was managed and designed by the team of Design Structures LLC and Potter Lawson.
