

Artist Marketplace Workshop

How to promote and sell your handmade items online

With **Sarah Stevens, Cellar Designs**

Cellar Designs is a home-based business featuring handmade antiqued plank signs, typography signs, shadowbox frames and much more. Sarah uses her blessings and gifts of creativity and eye for design to create art that helps make your house feel like home. Sarah will share some tips and techniques to help you turn your handmade items into an online business. Presented by Waunakee Creative Economy Initiative.
