You are invited to attend a public involvement meeting for the upcoming intersection improvement of WIS 19/WIS 113 and County I intersection (see attached project location map). The meeting will be held on **Wednesday, November 5th, 2014 from 5:30pm – 7:30pm**. The meeting will begin with a brief presentation and then an informal open house format will follow. The meeting will be held at the **Waunakee Village Center, 333 S Madison St, Waunakee, WI, 53597 in Community Room C**.

WisDOT is considering a roundabout alternative to replace the current configuration. This project will aim to reduce crash rates and severity of the crashes and improve the overall traffic flow. The purpose of this meeting is to present the proposed safety improvement for this intersection and receive feedback from the local community.
