

2015 Construction Projects Update.....for the Week of June 22nd, 2015

Village of Waunakee Improvement Projects

- **2015 Street Improvement Projects**

Parisi Construction, Verona, Wisconsin

Fairview Court Reconstruction – The water main, sanitary sewer, service laterals, and storm sewer installations are complete. The Contractor will begin installing the concrete work and will begin rebuilding the street base next week.

Uniek Pond Repairs

Ripp Park Pond Repairs

Weather has again delayed this work. We anticipate this work to begin as the work improves. We anticipate completion in 2 - 4 weeks, once the work begins.

Centennial Parkway Sanitary Sewer Installation – This work is scheduled to begin the week of June 22nd, weather permitting, and we anticipate completion in approximately 1-3 weeks.

Holiday Drive Reconstruction – This work is scheduled to begin later in the week of June 22nd and we anticipated completion in approximately 8 – 12 weeks, weather permitting.

Construction plans are posted on the Village web site (www.vil.waunakee.wi.us) under the Engineering page.

- **Lawn Grass and Weed Complaints**

We encourage residents to use the “Request Tracker” on our web site to inform us of any lawn grass or weed issues. <http://www.waunakee.com/RequestTracker.aspx>

Private Development Projects

- **Kilkenny Farms – Don Tierney**

LMS Construction Pardeeville, Wisconsin

A small amount of underground utility work is being completed as well as concrete work in anticipation of the road grading for asphalt paving. Blasting of the bedrock continues (no change).

Private Utility Projects

- **2015 TDS Fiber Optics Upgrades**

Intercon Construction, Waunakee, Wisconsin

TDS will be completing Fiber Optic upgrades of their underground systems at various locations throughout the Village of Waunakee. The work has begun in several neighborhoods and is scheduled to be completed by this fall. They will be placing door hangers containing additional information on homes in the affected areas prior to construction. Anyone with questions regarding service can contact TDS at 1-888-657-0545, with questions regarding construction please contact Lynn Lamphiear at 920-621-8404 (no change).
