

# 2016 Construction Projects Update.....for the Week of August 7<sup>th</sup>

## Village of Waunakee Improvement Projects

---

- **2016 Public Works Improvement Projects**

*Krause Excavating, Markesan, Wisconsin*

***Fourth Street Reconstruction from O'Malley Street to South Street***

*The Contractors are connecting the sanitary sewer and water main laterals in the 300 block of Fourth Street. Then, they will begin rebuilding the street base (gravel) in preparation for the concrete work.*

***Sidewalk Safety Repairs – Voegeli Landscaping – Contact Jeff Voegeli (608) 558-0031 [sodman11@yahoo.com](mailto:sodman11@yahoo.com)***

*The contractor is completing the sidewalk repairs on the west side of Waunakee and working to the east. We anticipate they will be working in the Rupert Road neighborhood and adjacent streets.*

***Pasadena Parkway and Agnes Avenue Mill & Asphalt Overlay***

*The work will begin on Tuesday, August 9<sup>th</sup>. These streets will be milled and re-shaped, and then a new asphalt surface will be placed. A “No Parking” restriction will be in effect on these streets from 7am until 7pm, Monday thru Friday, until the work is complete. We anticipate the work to be completed in approximately 1-week, weather permitting.*

*Additional information will be posted on the Village web site under the Engineering tab...*

- **2016 CTH Q Improvements**

*RG Huston, Cottage Grove, Wisconsin*

***CTH Q - The Contractors will be paving the temporary traffic lanes on the west side and shifting traffic over to the west early this week. The temporary traffic signals at Woodland Drive are operable but they are not as efficient as the permanent lights. In order to avoid delays, we suggest drivers use Peaceful Valley Parkway.***

***Woodland Drive - Work on Woodland Drive will begin the week of August 8<sup>th</sup>, and the street will be closed in both directions until the work is completed. There will be no posted detour and drivers should use local streets.***

*Please note: There will be lane restrictions in each direction, so please drive carefully and expect delays.*

*Additional information will be posted on the Village web site under the Engineering tab...*
