

2016 Construction Projects Updatefor the Week of September 26th

Village of Waunakee Improvement Projects

- **2016 Public Works Improvement Projects**

Krause Excavating, Markesan, Wisconsin

Fourth Street Reconstruction from O'Malley Street to South Street

The asphalt paving is complete. The contractors will be imprinting and painting the crosswalk at South Street, and restoring the lawns in the next few weeks, weather permitting.

Sidewalk Safety Repairs – Voegeli Landscaping – Contact Jeff Voegeli (608) 558-0031 sodman11@yahoo.com

The contractor is completing the sidewalk repairs on the west side of Waunakee and working to the east. We anticipate they will be working in the Holiday Drive, Centennial Parkway, Sausalito Drive, Presidio Drive, and Arbor Court areas this week. Then moving to the central areas of Main Street, Second Street, Third Street areas. Please watch for the “No Parking” signs adjacent to the sidewalk repair areas...this means that the sidewalk crew will be there soon.

Pasadena Parkway and Agnes Avenue Mill & Asphalt Overlay

The project is substantially complete.

Additional information will be posted on the Village web site under the Engineering tab...

- **2016 CTH Q Improvements**

RG Huston, Cottage Grove, Wisconsin

CTH Q – *Traffic is shifted to the west side (Stage 2 of 4), and the contractors are completing the improvements on the east side. The contractors are installing curb and gutter, and will be grading the street in preparation for asphalt paving on the east side. Traffic shift to the east side (stage 3) is anticipated soon after the asphalt surface is in place.*

Woodland Drive - *The contractors are still working on the pavement widening and added turn lanes.*

Please note: There will be lane restrictions in each direction, so please drive carefully and expect delays.

Additional information will be posted on the Village web site under the Engineering tab...

- **2016 Quinn Drive Improvements**

LMS Construction, Pardeeville, Wisconsin

The underground utilities are complete and the contractors will be grading the street in preparation for the first layer of asphalt pavement.

Additional information will be posted on the Village web site under the Engineering tab...
