

2016 Construction Projects Update.....for the Week of October 10th

Village of Waunakee Improvement Projects

- **2016 Public Works Improvement Projects**

Krause Excavating, Markesan, Wisconsin

Fourth Street Reconstruction from O'Malley Street to South Street

The lawns have been restored with seed, fertilizer and mulch, and we ask all affected property owners to help with watering the lawn. The crosswalk has been imprinting and we are awaiting favorable weather to paint the crosswalks.

Sidewalk Safety Repairs – Voegeli Landscaping – Contact Jeff Voegeli (608) 558-0031 sodman11@yahoo.com

The contractors will be starting the sidewalk repairs in the central part of Waunakee this week. We anticipate they will be working in the Fifth Street and Sixth Street areas to finish up the central section, before moving to the northern section. Please watch for the “No Parking” signs adjacent to the sidewalk repair areas...this means that the sidewalk crew will be there soon. Due to the high volume of repairs, some of the lower priority repairs may be excluded from this year’s repair list.

Pasadena Parkway and Agnes Avenue Mill & Asphalt Overlay

The project is substantially complete.

Additional information will be posted on the Village web site under the Engineering tab...

- **2016 CTH Q Improvements**

RG Huston, Cottage Grove, Wisconsin

CTH Q – *The traffic has been will be shifted to the east side travel lanes, and work has begun on the next stage on the west side (Stage 3 of 4). The contractors have begun striping the asphalt and rough grading.*

Woodland Drive - *The contractors are still working on the pavement widening and added turn lanes.*

Please note: There will be lane restrictions in each direction, so please drive carefully and expect delays.

Additional information will be posted on the Village web site under the Engineering tab...
