

2016 Construction Projects Update.....for the Week of October 17th

Village of Waunakee Improvement Projects

- **2016 Public Works Improvement Projects**

Krause Excavating, Markesan, Wisconsin

Fourth Street Reconstruction from O'Malley Street to South Street

The Fourth Street improvement project is substantially complete.

Sidewalk Safety Repairs – Voegeli Landscaping – Contact Jeff Voegeli (608) 558-0031 sodman11@yahoo.com

The contractors will be starting the sidewalk repairs in the north end of Waunakee this week. We anticipate they will be working in the on Main Street and moving north (Verleen, Topeka, Cheyenne, Lexington, etc.). Please watch for the “No Parking” signs adjacent to the sidewalk repair areas...this means that the sidewalk crew will be there soon. Due to the high volume of repairs, some of the lower priority repairs may be excluded from this year’s repair list.

Pasadena Parkway and Agnes Avenue Mill & Asphalt Overlay

The project is substantially complete.

Additional information will be posted on the Village web site under the Engineering tab...

- **2016 CTH Q Improvements**

RG Huston, Cottage Grove, Wisconsin

CTH Q – *The work continues on the west side of CTH Q in Stage 3 of 4. The contractors are grading the roadway and installing the storm sewer.*

Please note: There will be lane restrictions in each direction, so please drive carefully and expect delays.

Additional information will be posted on the Village web site under the Engineering tab...

- **2016 Quinn Drive Improvements**

LMS Construction, Pardeeville, Wisconsin

The contractors are adding the road base and will be grading the street in preparation for the first layer of asphalt pavement.

Additional information will be posted on the Village web site under the Engineering tab...
