**CTH M – The Community of Bishops Bay Development  
Town of Westport, Waunakee, Wisconsin**

**Impending Construction along County Trunk Highway M (CTH M)**

Local utility companies will be performing underground and overhead utility upgrades, along on County Trunk Highway M, in the Town of Westport beginning the week of April 2<sup>nd</sup>. The utility improvements are being completed to accommodate the development of a new subdivision for The Community of Bishops Bay, located along CTH M, between Borchers' Beach Road and Oncken Road. Several utility crews will be working along CTH M for several weeks in order to complete the work.

Contractors will also be reconstructing a portion of CTH M in the next few months, in order to install new median islands and turn lanes, to accommodate the entrance into the new subdivision. Drivers can expect to see travel lane shifts, lower speed limits, and a detour to accommodate the safety of the workers. The proposed detour will be scheduled at a later date, and additional information will be provided at that time.

For more information, please contact Scott Tebon, The Community of Bishops Bay, at (608) 412-3261, or by email at [scott@bishopsbaycommunity.com](mailto:scott@bishopsbaycommunity.com).
