

# 2018 Construction Projects Update...for the **Week of September 10th**

## **Village of Waunakee Improvement Projects**

---

- **2018 Public Works Improvement Projects**

Wolf Paving and Excavating, Sun Prairie, Wisconsin

*Topeka Trail from N Madison Street to Cheyenne Pass*

*Santa Fe Trail from N Madison Street to Cheyenne Pass*

*Cheyenne Pass from Topeka Trail to Lexington Drive*

The first layer of asphalt pavement has been placed on Cheyenne Pass, Lexington Drive, Topeka Trail, and Margurite Street. The contractors will complete the final utility adjustments (sump pipe adjustments, etc.), and begin placing topsoil in the terrace and disturbed lawn areas. The contractors will also be working with residents to begin re-installing the permanent mailbox posts, once the terrace has been graded and seeded.

The grading contractors will be removing the existing subgrade and placing a new street base on Santa Fe Trail. They will also be preparing the driveways, and sidewalks for the concrete installation. We anticipate that the concrete work will begin soon after the prep work is completed, weather permitting.

*Holiday Drive Resurfacing*

The contractors are scheduled to begin the preparation of Holiday Drive the street the resurfacing project on Holiday Drive from Woodland Drive to Centennial Parkway to begin the week of September 10<sup>th</sup>.

A copy of the construction plans, the Construction Newsletter, and Weekly Updates are available on the Village web site (<http://www.waunakee.com/821/2018-Public-Works-Improvement-Projects>)

- **2018 Cross Street Improvements Projects**

Krause Excavating, Markesan, Wisconsin

Cross Street from Water Street to North Madison Street

Contractors are finishing the pond construction, and restoration of terraces and disturbed lawn areas. The contractors are grading and preparing Cross Street, North Madison Street, and Water Street, for asphalt pavement. The paving is scheduled to be completed this week, weather permitting.
