

# 2018 Construction Projects Update...for the Week of October 15th

## Village of Waunakee Improvement Projects

---

- **2018 Public Works Improvement Projects**

Wolf Paving and Excavating, Sun Prairie, Wisconsin

*Topeka Trail from N Madison Street to Cheyenne Pass*

*Santa Fe Trail from N Madison Street to Cheyenne Pass*

*Cheyenne Pass from Topeka Trail to Lexington Drive*

The concrete contractors will continue to finish the remaining concrete work throughout the project, as weather permits. Driveways on Santa Fe Trail will not be accessible until after the new concrete has had adequate time to cure (approximately 3-5 days after the driveway aprons have been poured).

The grading contractors will begin fine grading Santa Fe Trail, once the new concrete curb has adequately cured, in preparation for the first layer of asphalt pavement. The contractors are tentatively scheduling placing the first layer of asphalt on Santa Fe Trail for the end of this week or early the following week, weather permitting.

As a continual reminder on all of the streets within the project limits, residents may park vehicles on the street overnight, but we ask that you please have your vehicles off the streets from 7am to 7pm to allow the contractors enough room to do their jobs safely and efficiently.

The landscaping contractors will continue placing topsoil in the terraces, and the disturbed lawn areas on, as weather permits. We are also marking the new permanent mailbox locations as the terrace lawn areas are seeded and mulched. If property owners would like to provide us with a new dual or joint mailbox post, we will install it. Otherwise we will reinstall the existing mailboxes.

*Holiday Drive Resurfacing*

The resurfacing project has reached substantially completion.

A copy of the construction plans, the Construction Newsletter, and Weekly Updates are available on the Village web site (<http://www.waunakee.com/821/2018-Public-Works-Improvement-Projects>)

- **2018 Cross Street Improvements Projects**

Krause Excavating, Markesan, Wisconsin

Cross Street from Water Street to North Madison Street

This project is substantially complete.

- **Lawn Grass and Weed Complaints**

*We encourage residents to use the "Request Tracker" on our web site to inform us of any lawn grass or weed issues. <http://www.waunakee.com/RequestTracker.aspx>*

## Private Development Projects

---
