## **Private Development Projects**

---

- **Woodland Crest Development – Forward Development Group, LLC**

Mashuda Contractors, Inc., Princeton, Wisconsin

The contractors are completing a few smaller repair items on the site, including traffic signal installation.

- **Arboretum Village – Livable Communities by Don Tierney**

LMS Construction, Inc., Pardeeville, Wisconsin

The contractors are placing the concrete curb and gutter and sidewalks. Once complete they will fine grade the street in preparation for placing the first layer of asphalt pavement, as weather permits.

- **Heritage Hills Development – Veridian Homes**

The first layer of asphalt pavement has been placed on the streets and alleys, and the utility contracts are completing the installation of their facilities.

The contractors will continue blasting the existing bedrock on site and crushing the rock to be beneficially-used on-site as gravel street base.

- **Westbridge – Kopp Road Improvements – Livable Communities by Don Tierney**

LMS Construction, Inc., Pardeeville, Wisconsin

The schedule for the work on this project is unknown at this time.
